Name of Superhero is: Super D

Super D has the superpowers of being able to fly and quickly to get out of danger. Super D uses these Superpowers to help others. If someone is in danger he flys down, tells the person that is in trouble to hold on, and takes him to them to safety. Super D was born with these powers, but no one knows why. He was born on the hot flames of Mars with his entire family and because of the hot temperatures he flew his entire family to safety. He is invisible except for his shield and belt.
